

## **“NOTICE OF RIGHTS” TENNESEN WARNING**

In accordance with the Minnesota Government Data Practices Act, Harmony Center LLC is required to inform you of your rights as they pertain to the private information collected from you. Your personal information we collect from you is private. Access to this information is available only to you and the agency collecting the information, and other statutorily authorized agencies, unless you or a court authorize its release.

The Minnesota Government Data Practices Act requires that you be informed that the following information, which you are asked to provide, is considered private. Information collected on medical cannabis patients are health records and the health care practitioner must comply with requirements of Minnesota Statutes section 144.291.

The purpose and intended use of the requested information is: to create and maintain health records for all patients for whom Harmony Center LLC has issued a written certification that supports the certification of a qualifying medical condition, make a copy of the health records available to the commissioner, and otherwise provide the Minnesota Department of Health information about the patient’s qualifying medical condition, course of treatment, and pathological outcomes to ensure compliance with the program requirements.
